Dear Leadership Bay Graduate,

You were selected to participate in the Leadership Bay (LB) program because you stood out as an emerging leader. Through your participation, you expanded your knowledge of issues facing our County, and undoubtedly forged many strong relationships with fellow class members. As a LB graduate myself, I can honestly say the experience continues to influence my life professionally and personally. Because of this, I joined the Leadership Bay Alumni Association. I hope that you will join me.

The Leadership Bay Alumni (LBA) was created by the Leadership Bay Class of '94-'95. Since then, LBA has not been as active as originally envisioned. The Chamber has realigned the purpose of the program and is now providing the administrative support needed to revitalize our organization.

The Leadership Bay Steering Committee is committed to fostering on going communication and fellowship among Leadership Bay graduates through a series of informal and formal events. By linking professionals with a common bond, we will undoubtedly strengthen the legacy of leadership in Bay County.

Membership Benefits:

- Access to LBA membership directory
 - Network with fellow alumni at special alumni events
 - Connect with current Leadership Bay Class participants; all LBA members will receive an invitation to the Leadership Bay Orientation Social and Graduation
- Membership fees are \$50 per year and for your convenience can be invoiced. If you are interested, please fax the attached sheet to 763-6229. If you have any questions or would like to assist with alumni initiatives, please contact Elizabeth Smith at 850-215-3761.

Sincerely,

Jeremy Bennett
Leadership Bay Alumni Chairman
