

Grab Your Segment of the *Relocation Market* Before they Step Foot in *Bay County*!

RELOCATION PACKET PROGRAM

Each year the Bay County Chamber of Commerce provides relocation guides to individuals and businesses looking for information on relocating to our area. In addition to the relocation guide, we have created a way for our members to market to these individuals who may soon need their products and services.

The Chamber is pleased to announce our new Relocation Packet Program! The Relocation Packet Program (RPP) will allow Chamber members to include their valuable business information into the packet which will be mailed out as requested. This is your chance to grab your segment of the market before they even step foot in Bay County.

Your only responsibility is providing the Chamber with copies of your item to be placed in the packet. We will contact you as they need to be replenished.

This program is available to Bay County Chamber members only. If you are interested in participating, please fill out form and fax to 850.763.6229 or scan and email to Ashton@baychamberfl.com. For more information call 850.215.3755.

A program of the
