For Gulf Coast Children's Advocacy Center

Since March of 2000, the Gulf Coast Children's Advocacy Center (Gulf Coast CAC) has transformed the lives of victims of child abuse and sexual violence by offering a refuge for victims and their families to cope with the terrible crimes of child abuse and sexual assault while reducing the fear and further trauma that disclosure and investigation often creates. CAC operates on the fundamental belief that the best interests of the victim should be protected. Gulf Coast Children's Advocacy Center (CAC) provides a compassionate alternative to traditional investigations.
