

2022 Relocation Packet Program

Each year the Bay County Chamber of Commerce provides hundreds of guides to individuals and businesses looking for information on relocating to our area. The Relocation Packet Program (RPP) allows Chamber members to include their valuable business information into the packet which will be mailed out as requested. This is a chance to advertise to newcomers before they even step foot in Bay County. Your only responsibility is providing the Chamber with copies of your item to be placed in the packet. We will contact you as they need to be replenished.

Please select your level of participation by checking the appropriate box in the table below.
