

# RELOCATION Packet Program

Each year the Bay County Chamber of Commerce provides relocation guides to individuals and businesses looking for information on relocating to our area. In addition to the relocation guide, we have created a way for our members to market to these individuals who may soon need their products and services.

The Relocation Packet Program (RPP) will allow Chamber members to include their valuable business information into the packet which will be mailed out as requested. This is your chance to grab you segment of the market before they even step foot in Bay County.

Your only responsibility is providing the Chamber with copies of your item to be placed in the packet. We will contact you as they need to be replenished.

## 4 Levels to Participate
